

Workplace Volunteer Opportunities

Boost morale while making a positive impact by engaging your organization or team in meaningful volunteer opportunities with HealthPartners.

About Us

HealthPartners brings workplaces, health charities and the patients and families they support together in a single, shared purpose — to improve the lives of people across Canada who are living with serious illness.

Our Mission

A healthier Canada.

Getting Started

Consider the following questions as you explore options for making the most out of designated volunteer days:

- Organizations' goal or vision for the volunteer experience
- Number of employees participating (individual, one or more teams, all staff, etc.)
- Team composition (senior leadership team, specific division, employee-led, etc.)
- Virtual, hybrid or in-person volunteering (TBC)
- Date(s) and/or non-date specific opportunities
- Particular health charities or causes that interest your team the most

Contact HealthPartners today to get started!

We offer bespoke volunteer opportunities that align with your values, while helping us build a healthier Canada.
