

Every donation, no matter the size, becomes part of **something bigger.**

And when we give together, those gifts multiply, helping Canada's health charities spend more time fighting, caring, curing, and saving lives.

FOR \$5 PER PAY

Be the reason a student learns how to save a life

Help Heart & Stroke Canada bring hands-on CPR training into classrooms, giving teens the confidence and skills to act when every second matters.

FOR \$10 PER PAY

Be the reason a child has a summer worth remembering

Help send a child living with diabetes, cancer, arthritis or cystic fibrosis to one day of summer camp—with care built in, so they can just be a kid.

FOR \$25 PER PAY

Be the reason someone can get to the care they need

Help people living with cancer, kidney disease or muscular dystrophy get to 10 treatments or appointments safely and on time through ride programs and travel support.

FOR \$50 PER PAY

Be the reason someone can live more independently

Help CNIB train and care for one guide dog, including veterinary care, advanced training and essential equipment.

Give as one.
Do more than any one.
